June 24-27, 2012
ORLANDO

Cutting-edge approaches from schools that are ahead of the curve in preparing for the Common Core State Standards, Next Generation Assessments, and Teacher Evaluation based on student performance:

- › Creating a culture that demands high expectations of all students and staff
- › Leveraging rigor, relevance, and relationships to prepare students for success in the increasingly technology-driven global economy
- › Empowering educators to embrace innovation and leverage technology to change the way they teach
- › Aligning every level of the education system to work together toward student achievement

**International Center for
Leadership in Education**

Rigor, Relevance, and Relationships for ALL Students
