

Steven P. Crawford MEMORIAL SCHOLARSHIP

To: All Oklahoma Public School Superintendents

From: Paula Crawford, on Behalf of the Steven P. Crawford Memorial Scholarship Selection Committee

The Steven P. Crawford Memorial Scholarship was founded by his family and funded through donations by his family, his friends in Oklahoma education statewide, and various organizations such as OSAC, OASIS, and others. It is our hope to continue to offer the scholarships for many years to come.

The selection committee divided the state into quadrants via the dividing lines of I-35 and I-40. A one-time \$1,000 scholarship will be awarded to a graduating senior from a public school in each quadrant. If the borders of a district cross the quadrant dividing lines, the district will be in the quadrant in which the high school site is located. The award will be sent upon proof of enrollment in college. Only graduating seniors planning for a career in education are eligible to apply. Priority will be given to those applicants who plan to pursue a career in mathematics education, science education, or agriculture education. Steven majored in mathematics education, minored in physics education, and those who knew him understood how much he loved his cows and the family ranch.

The students applying for the scholarship should submit their application including their transcript to you by noon on Wednesday, March 12, 2025. If you have multiple applicants from your district, please select the best applicant to represent your district and submit one signed application to us by Wednesday, March 26, 2025. Only one applicant from each district will be competing for the scholarships.

If the awarded applicant is a student of your district, we would be most appreciative if a member of Steven's immediate family could present the scholarship at the appropriate graduation-related event. We will notify the successful applicant and you as soon as the selection process has ended. We will call to discuss the presentation of the scholarship following the scholarship awardee determination. If you have any questions regarding the scholarship, please feel free to contact me via email: paulakcrawford@gmail.com or by phone at 580-272-8201.
